## IMPORTANT THINGS TO KNOW

### **RINGER BOOK SHEETS:**

The ringer book sheets are our method of recording achievements during Ladies' League and will be used to determine prizes for the end of the season. We keep track of the following:

- Pars are recorded for those whose handicaps are 30 or more, and all birdies and eagles that are made during ladies' league are recorded.
- At any time during the Ladies League golf season, you have a Hole in One at Riverbend.
- Or break 100, 90 or 80 on 18 holes for the first time ever.
- Or break 60, 50 or 40 on 9 holes for the first time ever.

Handicaps, birdies, eagles and hole-in-ones are recorded on the scorecards

If you break a milestone score for the first time ever, please email Sharon Fraser at [sharon.fraser@rdpsd.ab.ca](mailto:sharon.fraser@rdpsd.ab.ca)

### **HANDICAPS:**

**LEAGUE MANAGER:** This system is used by the league to ensure all members receive a handicap during league play. It allows members to establish a handicap based on 9 holes of golf. Information on your weekly score cards from Ladies League is input into this system by members of the executive.

**SOCIAL WEEKS:** There are four Social Days!!!! Come golf and enjoy some food following your round of golf. The food provided on Social Weeks is funded through your league fees.

**WEEKLY GAMES:** Game description and rules are located on the website
